Danny Evers

Oisterwijk dannyevers83@gmail.com

Junior full-stack developer with a technical background as a BIM Engineer. I build accessible, user-friendly web experiences and bring a practical approach to solving problems.

Education

Independent Study

October 2026 – Present

Full-Stack Development *Oisterwijk*

- Developing web development skills through online courses and hands-on projects alongside my role as a BIM Engineer. Focused on HTML, CSS, responsive design, and the command line.

Summa

2017 - 2019

Post-MBO MIT-E — Electrical Installation Engineering *Eindhoven*

- Advanced vocational training in electrical installation design, technical calculations, and project coordination.

Professional Experience

Klictet

March 2025 – Present

(BIM) Engineer *Oisterwijk*

- Develop and maintain building information models, perform technical calculations, and prepare cost estimates. Collaborate with project teams to coordinate designs and resolve technical issues.

Projects

Google Homepage Recreation

November 2026
